

**TWO-DAY WORKSHOP
RESEARCH METHODS & DATA ANALYSIS USING IBM SPSS**

DATE OF THE EVENT	RESOURCE PERSON
25/05/2022 and 26/05/2022	Dr. Riyas Y., Assistant Professor, TKM College Kollam

OBJECTIVE: For acquainting students with modern analytical techniques.

A two-day workshop on the topic ‘Research Methods & Data Analysis Using IBM SPSS’ was organised by the Research and PG Department of Commerce Henry Baker College, Melukavu, and acquainting students with modern analytical techniques. Dr, Riyas Y Assistant Professor, TKM College, Kollam was the resource person. This was an online workshop conducted through Google Meet on 25/05/2022 and 26/05/2022 from 4 pm to 6 pm. The goal of this programme was to significantly improve everyone’s knowledge while giving them the tools they needed to be as productive as possible. Target participants were Academicians, Research Supervisors, Research Scholars and all who have strong interest in this.

For a researcher, an understanding of statistical package is essential for quantitative and qualitative research. A statistical computing package provides a convenient means to store the data and derive descriptive and inferential statistics. Besides, the statistical package can provide an unified operating framework and common interface for data manipulation visualization and statistical analysis. The Statistical Package for Social Science (SPSS) is a widely used general purpose survey analysis package. SPSS is a leading global provider for predictive analytics software solutions. Research and Postgraduate Department of Commerce of Henry Baker College is organizing two day workshop on Application of Statistical Technique in Commerce and Management. It aims at providing hands-on training on the application of statistical tools used in.

IBM SPSS statistics is used by the ten of thousands of commercial, government and academic organizations worldwide to solve a range of business and research problems. It offers rich statistical capabilities paired with features that make it easier to access and manage data, select and perform analyses and share results. Dr. Riyas Y., Assistant Professor, TKM

College Kollam, was the Resource Person. The sessions was informative by giving Hands-on Training of SPSS in Research Data Analysis. After the workshop students become capable to carryout inferential statistical analysis using SPSS. 52 students participated in the programme. The workshop ended on 26.05.2022, by 6 pm. Ms. Neha Wilson (M.Com Student) proposed the vote of thanks.

Workshop Content

Day-1	: Creating Variables Importing Data into SPSS Visual & Optimal Binning Data Validation Reporting
Day-2	Summary Statistics Chi –Square Test ANOVA Correlation & Linear Regression Discriminant Analysis Factor and Cluster Analysis

.Outcome of the Programme: Students understand the fundamentals of research and choose the right statistical techniques for different research problems.
