ON-THE-JOB TRAINING ON AIRFARE AND TICKETING

As part of the syllabus, an on-the-job training was arranged for the students of Tourism and Hospitality Management in collaboration with Kairaly Holidays, Cochin. Mr. Biju Xavier, Managing Director of Kairali Holidays, Cochin was the resource person. The orientation is organized as a training programme, comprising both structured practical workplace and structured theoretical training. Through this training an intern gets a hand on experience of how things works in an office environment. Based on the training an internship certificate is provided to the individuals so that they can use in the future professionally.

The aim of the program is:

- To help the students to gain much knowledge in the field of air ticketing and to upgrade themselves professionally.

Completing an internship allows the students to gain hands-on experience in the field that interests them. In addition, internships provide students with the opportunity to do ticketing individually without assistance.
