## Make Organic Bird Feeders for Your Winged Friends.

The NSS unit of our College enthusiastically celebrated the World Environment Day of this year by organizing an eco friendly activity for the students : Make Organic Bird Feeders for Your Winged Friends. The students were provided a tutorial video on how to make organic bird feeders using coconut shell and jute. As water and food are essential for all the life forms on the earth, the bird feeders help the birds to thrive and survive in a better way. The activity provides the students an opportunity to observe birds closely and teaches them the importance of caring the mother earth and its other inhabitants. Eighty two students actively partook in the programme.

## Poster Designing

According to the proposed Action Plan, the Department of English organised online poster making for the students. From the beginning of the academic year 2021-22, the students of B.A English prepared posters on the literary luminaries, displaying their works and achievements. It was displayed online on the third week of every month. Students who were interested in poster designing were selected by the teacher in charge, Mrs.Elizabeth Joseph. Students from the II and III B.A earnestly participated in this activity. During every month, from June onwards, one poster was designed from both the classes respectively. The objective of this activity was to create a general overview of the major literary figures and their works. First Poster was designed on the third week of June by Abhishek P J & Amina Kabeer of fifth semester B.A English. George C Mathew of I B.A designed the second one for the month of July. Nelson Siby and Amina Kabeer made the third poster for the month of August. In September, Ajeshmon T J of II B.A designed the fourth poster. The efforts and creativity of the students were appreciated by all by displaying these posters in the students' Whats App group. These posters were also displayed in front of the department notice board. This activity triggered the literary consciousness of the students. It developed the observational skills of the students and created an awareness of the major luminaries in literature.

A webinar on 'A Journey towards the Professional World' is organized by the Department of Commerce in association with FINPROV on 04/02/2022 at 2.00 pm through Google Meet.

Ms. Preetha P K gave the students an insight into the essential interview skills required to succeed at a job. In a fun-filled manner, she also touched on the different dynamics that exist within teams and when working in teams.

The workshop was filled with educative and entertaining activities. Ms Shavina Soans effectively drove home all the points that are a requirement when working in the corporate sector. The students enjoyed the session thoroughly.
