**Orientation Programme**  
**Webinar: Learning in Digital Environment**

Our world has been witnessing tremendous changes in the teaching-learning scenario since the outbreak of COVID-19 pandemic in 2020. The traditional methods of imparting education failed to meet expectations in the lockdown days. As a result, the digital and virtual methods of learning and teaching substituted the traditional classroom. Though students began to regain the actual classrooms in 2021, the virtual classrooms remained part of the system. So blended learning seems to be the new normalcy of the immediate future at least. Therefore it is the duty of the teachers to empower the students according to the demands of the time.

Our college also rose to the occasion and conducted a one-day online orientation programme for students and teachers on Learning in Digital Environment on 17 August 2021. Dr. Vimal Kumar, Reference Assistant at Mahatma Gandhi University, Kottayam led the session and enlightened the students and teachers alike.

**Objectives of the programme:**

To let the students know how learning takes place in a digital environment.

To enlighten them about various e-resources.

To familiarize the students with the rapid change that has been taking place in higher education

The programme began at 2.30pm in Google Meet platform and coordinator Paul Mathews welcomed the virtual gathering. Principal Dr. Gireeshkumar G. S. shared his thoughts on the need of changing strategies and emphasized the use of digital resources in learning as well as teaching.

Dr. Vimal Kumar shed light on various aspects of teaching-learning like data collection, research, academic writing, publication, using social media websites as a source of knowledge, different knowledge repositories available online and offline etc. in his one hour long presentation. It was indeed a rare display of academic erudition. Students as well as teachers got their doubts clarified in the Q and A at the end of the presentation.

A total of 153 participants attended the programme including students and faculty. Dr. Disha V. J., IQAC coordinator felicitated the programme and Dr. Ansa Andrews proposed the vote of thanks. The programme came to a conclusion at 4.00pm. Link to the video recording of the programme uploaded in the YouTube Channel HBC Edu Hub:

The poster features a green and yellow geometric background. At the top, it reads 'HENRY BAKER COLLEGE, MELUKAVU' with a small logo above it. Below this is the college's crest. The main title is 'ORIENTATION PROGRAMME' followed by 'LEARNING IN DIGITAL ENVIRONMENT' in large, bold letters. A photo of Dr. Vimal Kumar is shown on the left. To the right of the photo, it says 'GUEST SPEAKER DR VIMAL KUMAR' and 'REFERENCE ASSISTANT MAHATMA GANDHI UNIVERSITY'. The date and time are '17 AUGUST 2021 • 2.30pm' and 'GOOGLE MEET'. At the bottom, it says 'INTERNAL QUALITY ASSURANCE CELL'.

## **Objective of the programme**

For acquainting students with modern analytical techniques  
A two-day workshop on the topic of “Research Methodology using SPSS” was organised by the Research and PG Department of Commerce Henry Baker College, Melukavu, for acquainting students with modern analytical techniques. Sri.Jenipher Carlos Hosanna, Head of the Department welcomed the gathering and Dr.Gireesh Kumar G.S, (Principal) inaugurated the session. The goal of this programme was to significantly improve everyone’s knowledge while giving them the tools they needed to be as productive as possible.

### **About the Workshop**

For a researcher ,an understanding of statistical package is essential for quantitative and qualitative research..A statistical computing package provides a convenient means to store the data and derive descriptive and inferential statistics .Besides ,the statistical package can provide an unified operating framework and common interface for data manipulation visualization and statistical analysis.The Statistical Package for Social Science (SPSS) is a widely used general purpose survey analysis package.SPSS is a leading global provider for predictive analytics software solutions.Research and Postgraduate Department of Commerce of Henry Baker College is organizing two day workshop on Application of Statistical Technique in Commerce and Management..It aims at providing hands –on trining on the application of statistical tools used in.

IBM SPSS statistics is used by the ten of thousands of commercial ,government and academic organizations worldwide to solve a range of business and research problems.It offers rich statistical capabilities paired with features that make it easier to access and manage data,select and perform analyses and share results. . Dr, Riyas Y Assistant Professor ,TKM College Kollam, was the Resource Person The sessions was informative by giving Hands –on Training of SPSS in Research Data Analysis. After the workshop students become capable to carryout inferential statistical analysis using SPSS The program ended on 26.05.2022 ,6 pm. Ms. Neha Wilson (M.Com Student) proposed the vote of thanks. 52 students participated in the programe

## **Workshop Content**

Day-1 :Creating Variables

Importing Data into SPSS

Visual & Optimal Binning

Data Validation

Reporting

Day-2 Summary Staistics

Chi –Square Test

ANOVA

Correlation & Linear Regression

Discriminant Analysis

Factor and Cluster Analysis

## Target Participants

Academicians, Research Supervisors, Research Scholars and all who have strong interest in

.  
52 students participated in the programme

Outcome of the Programme

Students understand the fundamentals of research and choose the right statistical techniques for different research problems.
