About IQAC

The IQAC, established in 2014, plays a pivotal role in maintaining and monitoring the academic, co-curricular and administrative aspects of the college, with the exclusive purpose of quality improvement. In order to fulfill the vision of NAAC Henry Baker College, mainly gives importance to quality assurance and enhancement. The foremost responsibility of IQAC is to initiate, plan and direct various programmes that are necessary to increase the quality of education. In this context, to realize the goals of quality enhancement, the resources of the institution have been directed towards this route and quality sustenance has been maintained in a well equipped and systematic manner.

Objectives and Functions of the IQAC

The IQAC stays abreast of and disseminates the various developments in the higher education sector, specifically focusing on the UGC and NAAC guidelines which undergo constant updations.

- To develop a system for conscious, consistent and catalytic action and to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
- To promote unending, incessant efforts and persistent pursuits towards the achievement of the watchword of the institution, “***From Darkness into Marvelous Light***”

Detailed Reports of the Professional development/ Administrative Training

1. Digital Libraries and online facilities in education

On 18th November 2021, the Faculty Development Centre of the college was inaugurated by the principal, Dr. Gireesh Kumar G.S. Objective of the program was to get familiarized with Digital Libraries and other online facilities for education and know all about Google Add-ons and their applications. The program was held in two sessions, and the first session was taken by Mr. Isson George, College Librarian. The first half of the session was solely on the digital library source of the college and how teachers and students can access it. It was effective and informative for each one of us.

2. Google Add-ons and App

The second half of the session was taken by Mr. Sudhish S. Nair (Assistant Professor in Computer Application, Henry Baker College, Melukavu) on *Google Add-ons* and *App*. The class was very informative and an eye-opener for us. Though we are using various facilities of *Google Add-ons* we are not fully aware of it. The session helped us know more about it. The program was attended by twenty-eight teachers.

3. Tools for effective online teaching

Faculty Development Centre in association with the Internal Quality Assurance cell organized a faculty training programme on various ICT tools for online teaching. The programme held on 22nd November 2021 at the college computer lab was aimed to introduce various ICT tools which are very useful for online teachings such as Open Board and Xournal. Open Board is almost like a board that can be used for writing in real-time teaching. The classes were taken by Dr Prince Thomas (Assistant Professor, Department of Physics), and it was very effective and useful for all the participants. The programme was attended by twenty-eight participants.

4. Orientation for Administrative Staff

Faculty Development Centre in association with the Deputy Directorate of Collegiate Education, Kottayam and IQAC of the college organised an orientation programme for administrative staff. The programme held on 27.11.2021 was aimed at making them aware of various rules and regulations regarding the functioning of the college office. The programme was inaugurated by Dr R. Pragash, Deputy Director, Collegiate Education, Kottayam. Principal Dr Gireesh Kumar G.S., presided over the meeting and office superintendent Mr. Jomon K. Joseph proposed a vote of thanks. The first session was engaged by Mr Shine K.S, about PD Rules. The second session was taken by Mr. Babu N P, on the store purchase manual and various registers related to purchasing. Both the sessions were very much informative and useful for the administrative staff. It was attended by 11 participants.

5. Redesigning higher Education in India: Embracing a new paradigm

The IQAC of the college organised a lecture on the topic ‘Redesigning Higher Education in India: Embracing a New Paradigm’ on 28.04.2022. Dr Nisha Joseph, IQAC co-ordinator of the college welcomed the gathering. Principal Dr. Gireeshkumar G.S. presided over the meeting. During the presidential address, he briefly explained the historical advances of the country’s education policies after its independence. Prof. Dr. R K Chauhan, Former Secretary, of UGC, New Delhi was the chief speaker of the day. He started his speech with the ancient university of Bologna and its education policy. He also explained the different aspects of policy making and the evolution of National Education Policy 2020. Mr Chauhan reiterated that quality in education is a significant challenge for higher education. To improve education quality, UGC is trying to instill National Education Policy in higher education.

The present perspectives on the new education system and the need for change required for the development of the nation through education were analysed in the second session.

A fruitful discussion on the queries from the audience was done at the end of the talk. With this session, it was made clear that the fundamental objective behind NEP is to bring education out of the limits of narrow thought-process and to integrate it with the thoughts and ideas of the 21st century.

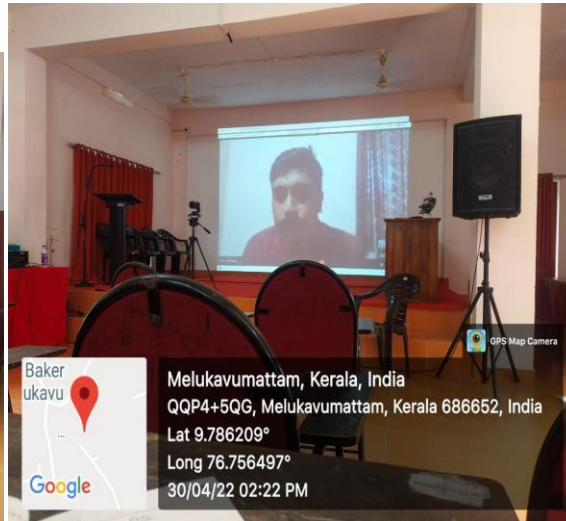

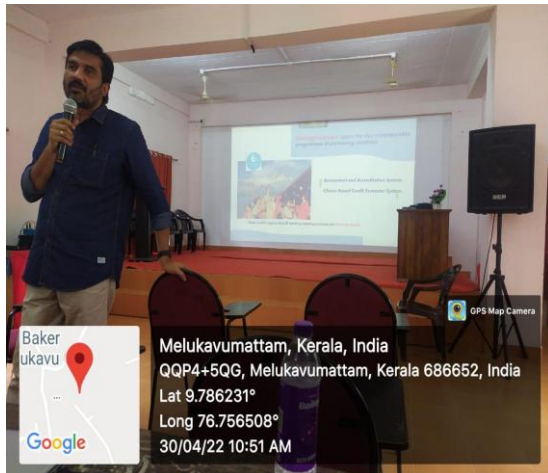

6. Workshop on Outcome Based Education

On 30th April 2022, FDC and Internal Quality Assurance Cell in association with Kerala Higher Education Council organised a workshop on *Outcome Based Education; Measurement of PO, PSO & CO* on Principal, Dr. Gireesh Kumar GS, introduced the resource person, Dr. Manulal P. Ram, Research Officer, Kerala State Higher Education Council. This programme was conducted with a view to make a change in on-going educational practices and upgrades ourselves to Outcome Based Education. Dr. Manulal P. Ram introduced the basic concepts of Programme Outcome (PO), Programme Specific Outcome (PSO) and Course Outcome (CO) and how to formulate these based on Bloom's Revised Taxonomy.

Dr. Shafeeque V, Research Officer, Kerala State Higher Education Council, also handled a session on the need for OBE in the present educational scenario in online mode. The workshop

was informative and effective for each one of us. The workshop helped us prepare the Programme Outcome, Programme Specific Outcome and Course Outcome of our programmes. It was attended by 20 teachers.

7. Webinar: Learning in Digital Environment

Our world has been witnessing tremendous changes in the teaching-learning scenario since the outbreak of COVID-19 pandemic in 2020. The traditional methods of imparting education failed to meet expectations in the lockdown days. As a result, the digital and virtual methods of learning and teaching substituted the traditional classroom. Though students began to regain the actual classrooms in 2021, the virtual classrooms remained part of the system. So blended learning seems to be the new normalcy of the immediate future at least. Therefore it is the duty of the teachers to empower the students according to the demands of the time.

Our college also rose to the occasion and conducted a one-day online orientation programme for students and teachers on Learning in Digital Environment on 17th August 2021. Dr. Vimal Kumar, Reference Assistant at Mahatma Gandhi University, Kottayam led the session and enlightened the students and teachers alike.

Objectives of the programme:

1. To let the students know how learning takes place in digital environment.
2. To enlighten them about various e-resources.
3. To familiarize the students with the rapid change that has been taking place in higher education.

The programme began at 2.30pm in Google Meet platform and coordinator Paul Mathews welcomed the virtual gathering. Principal Dr. Gireeshkumar G. S. shared his thoughts on the need of changing strategies and emphasized the use of digital resources in learning as well as teaching.

Dr. Vimal Kumar shed light on various aspects of teaching-learning like data collection,

research, academic writing, publication, using social media websites as a source of knowledge, different knowledge repositories available online and offline etc. in his one hour long presentation. It was indeed a rare display of academic erudition. Students as well as teachers got their doubts clarified in the Q and A at the end of the presentation.

A total of 153 participants attended the programme including students and faculty. Dr. Disha V. J., IQAC coordinator felicitated the programme and Dr. Ansa Andrews proposed the vote of thanks. The programme came to a conclusion at 4.00pm.

8. Power Stream: An Entertainment Motivation Programme

The Internal Quality Assurance Cell of Henry Baker College, Melukavu conducts a one-

day orientation programme for the first-year degree students as part of the Bridge Course every year. Such a programme was organized this year as well. “Power Stream: An Entertainment Motivation Programme” was led by the renowned international trainer and motivational speaker Sri. Jijo Chittady, co-founder of Kenshu Foundation, Kottayam, Kerala.

Objectives:

1. To provide the fresher’s a new perspective on higher education as well as their lives.
2. To motivate the students to set their life goals, in case they don’t have one, and sharpen their skills as well as attitudes to achieve those goals.

The programme was held from 9.00 am to 2.00 pm on 1st November 2021 in the College Auditorium. Students of all first-year degree classes attended the programme. Dr. Nisha Joseph, IQAC Coordinator welcomed the gathering and Principal, Dr. Gireeshkumar G. S. briefed the objectives of the programme in his remarks. Total 120 students attended the porgramme.

The programme was activity oriented and comprised of five sessions. Each session discussed different topics. In the first session, the speaker exemplified through activities how one can overcome one’s limitations. The second session contained motivational stories of people who have achieved things that are considered impossible by many among us. The third session was about finding happiness in life and the worth of happiness over material wealth. In the fourth session, the resource person enlightened the students on leading a life of values. In the final session, all the teachers of the college along with the Principal addressed the students and talked to them about the facilities available in the college, the dream teachers have about the students and the college, how curricular and co-curricular aspects are conveyed to students, the key points each student should keep in mind while pursuing higher education etc.

Students gave feedback at the end of the programme and the overall nature of the feedback revealed the success of the programme. Many of them proclaimed that the training

helped them to change their perspective towards life and education. The coordinator of the programme, Paul Mathews proposed the formal vote of thanks and the programme ended at 2 pm.

9. Career Opportunities in Government Sector

The minority cell of Henry Baker College organized an online career orientation programme “Career Opportunities in Government Sector” for the final year students on 28th March 2022, at 2 pm, in Google Meet. The IQAC coordinator Dr. Nisha Joseph welcomed the gathering and the Principal Dr. Gireeshkumar G. S. delivered the presidential address. In his speech, the principal emphasized the need of understanding the changing nature of careers in the post-pandemic global scenario. Sri. Krishnakumar S. who is presently the Deputy Chief of the University Employment Information and Guidance Bureau at Cochin University of Science and Technology led the session. He enumerated various career opportunities in the government sector, both state and central. He also explained how and when the major public sector employers conduct recruitment. The session was indeed a beneficial one for many of our students. A total of 73 participants attended the programme. Sri. Justin J. Paul, a member of the administrative staff, felicitated the programme and the Minority Cell Convenor Sri. Paul Mathews proposed the vote of thanks.

10. National Eligibility Test: Paper I

The Internal Quality Assurance Cell of the college in association with HBC Coaching Centre conducted a one-day orientation programme for postgraduate students focusing on the Paper I of National Eligibility Test.

Objectives of the programme:

- To encourage students to register for NET exam.
- To familiarize the students about the pattern of questions in NET: Paper I.
- To introduce the students to opportunities available for a NET holder.

The programme was held on 7th April 2022, at 10 am in the Seminar Hall. The convenor of HBC Coaching Centre Sri. Shinu Thomas P. welcomed the gathering and the Principal Dr. Gireeshkumar G. S. delivered Principal's remark. In his talk, the principal encouraged the students to make use of the time and opportunities available for them now. Sri. Krishnakumar S., the Deputy Chief of University Employment Information and Guidance Bureau, CUSAT led the sessions. He provided the students a synopsis of NET examination by explaining the objectives

and pattern of examination, nature of questions in each paper, selection criteria, and the reservation policy. He also briefed the opportunities awaiting a NET holder. In the second part of his informative lecture, the emphasis was on Paper I. He explained the pattern and distribution of questions in the Paper I from various topics. A total of eighty-one participants were benefitted from this well-designed and informative programme. Three students, Kannan (I M.A. History), Thomaskutty (II M. Com), and Febin Asiya (II M. Com), were awarded constellation prizes for their outstanding performance in the question and answer session. Sri Paul Mathews, the programme coordinator proposed the vote of thanks.
