11. Free Haemoglobin Checkup for Girls 20/3/2023

Henry Baker College in association with CHC Edamaruk organised an awareness talk on health and hygiene on 20/3/2023. A free haemoglobin check up was also arranged along with that. It was exclusively for the girl students and women faculty of the institution. The programme started at 10.15 am with the introductory remarks of the Principal. Dr. Beena Paul, Convenor, Gender Justice Forum welcomed the gathering. Dr. Sarala A.C Medical Officer, CHC Edamaruk gave a talk on Anaemia and its after effects. Her talk emphasized the need for blood check up and maintaining a healthy life. She also provided valuable insights on how to maintain normal HB level. Mrs. Elizabeth Joseph, Coordinator, Women's Cell proposed the vote of thanks. After the formal function there was a spot registration in which the names and addresses of girl students were registered. The students from various departments were asked to queue up for the check up. Then nursing staff under the leadership of Dr. Sarala examined the HB level of the girls and explained whether they are healthy or not. A total of 12 students were identified as having low HB level and they were advised to take certain food items that increase the HB level. They were also referred to the health centre or other medical centres for further need. Thus an effective follow up was done for the anaemic persons. The free HB check up camp was a huge success.

As part of commemorating International Women's day, the NSS unit of Henry Baker college organized Self Defence classes for girl students. The inauguration ceremony of the same was held on 8/3/2023 at 1.30 pm in the Seminar hall. Principal Dr. G.S Gireesh Kumar inaugurated the programme. The classes were taken by Ms. Meenakshi V M and Ms. Aksamol K B of II B. A. English. Meenakshi V. M is our volunteer secretary and Aksamol K. B. was one of our active volunteers. Both are Karate masters also. The prime objective of the programme was to empower the girl students by equipping some defence skills and life skills. These classes helped the students to instill self- confidence and enabled them to defend against any physical assault. It is equally important for the students to learn to resist physical violence along with polishing their academic caliber. 30 students attended the programme. After the inaugural day, self defence classes were conducted for three days for interested students.
