The Women Cell (Avnika) of Henry Baker College Melukavu acts as a forum for providing a conducive environment for self-empowerment of girl students. The Cell enables the girl students to recognize their true potential by conducting an array of programmes. It also provides opportunities for discussion and deliberation on a range of issues concerning women. Seminars on women related topics and interactions with eminent personalities are arranged periodically to instill self esteem and confidence in the female students so that they can make the right decisions in their lives. Inter-class debate competitions are organized with the motive to spread awareness about gender discrimination and the importance of gender equity. These platforms enable the students to express innovative and progressive ways to eliminate the stereotypical notions of gender bias. Awareness classes on law, legal and constitutional rights of women, Health and Hygiene, Self-defence programmes and skill development programmes are organized with the intention of making the students self-dependent and to prevent all sorts of exploitations.

Activities of the Women's Cell-Avnika and Cultural Club-Noopuradwani for the academic year 2022-23 were inaugurated by the Principal Dr. Gireesh Kumar G.S. on 22/8/2022. The inaugural function was invoked with a silent prayer. In the inaugural address, the Principal insisted on the need to honour women and appreciate their skills. Mrs. Elizabeth Joseph, Coordinator, Women's Cell welcomed the gathering. There was a cultural fiesta by the students with a variety of entertainment including solo, fusion dance and folk songs. Our dancers and singers performed merrily on stage. It was a scintillating performance that mesmerized the spectators. Azaadi ka Amrit Mahotsav-75th Independence Day Celebrations and Competitions were also held on the same day. Cultural club-Noopuradwani in association with Avnika coordinated inter-departmental competitions such as Mime, Patriotic Song and Tableau. Students participated with great vigour and enthusiasm.
