Henry Baker College Melukavu
Report on Certificate Course in Women Entrepreneurship
2023-2024

The Certificate Course in Women Entrepreneurship was conducted at our college from [Start Date] to [End Date], aimed at empowering aspiring female entrepreneurs with essential skills and knowledge to start and manage their own businesses successfully. The course was organized by our college in collaboration with commerce department.

Objective:

The primary objective of the course was to equip participants with the necessary entrepreneurial skills, knowledge of business planning, financial management, marketing strategies, and legal aspects relevant to starting and sustaining a business venture. The course also aimed to inspire and encourage women to pursue entrepreneurship as a viable career option.

Number of Participants

16 students were participated in the certificate course

Curriculum and Structure:

The course curriculum was designed to cover the following key areas:

- Women Entrepreneurship
- Employment Opportunities for Women,
- Trending Strategies of Women Entrepreneurship Development

Methodology:

The course employed a combination of lectures, case studies, group discussions, practical exercises, and video classes to ensure a comprehensive learning experience. Participants were actively engaged through interactive sessions and encouraged to apply theoretical knowledge to real-world scenarios.

Examination

Examination conducted for the evaluation purpose of our certificate course.

Outcome:

By the end of the course, participants gained:

- A thorough understanding of the entrepreneurial process and its challenges.
- Practical skills in business planning, financial management, and marketing.

Knowledge of legal and regulatory frameworks relevant to starting a business.

Conclusion:

The Certificate Course in Women Entrepreneurship at [College Name] was a resounding success, providing participants with valuable skills, knowledge, and inspiration to embark on their entrepreneurial journeys. The course not only equipped women with practical tools for business success but also fostered a supportive environment for networking and mentorship among participants and industry experts.
