

## **Book Collection Drive**

Henry Baker College recognizes the vital role a robust library plays in enriching the student learning experience. To address the need for expanded resources, the college launched a book collection initiative. This initiative aims to significantly increase the number of books available to students, fostering a richer and more comprehensive learning environment. The project commenced on 3 January 2024, with a generous contribution from the family of Late Sri. M.S. Joseph. IAS, Thiruvananthapuram. The donation of around 3000 books spans a broad range of subjects, including history, literature, sciences, social sciences, arts, and philosophy, thereby greatly expanding the library's capacity to support diverse academic pursuits. The principal and representatives of the college management were present to receive this substantial donation. The newly acquired books will be cataloged and made available to students promptly. This initiative underscores the college's commitment to providing students with the best possible learning resources. The success of this initial donation inspires hope for continued support from the community. The expanded library will undoubtedly contribute to a more enriching and stimulating learning environment for all students. The college welcomes further donations to support this ongoing endeavor.
