Njandukulamis a Muthuvantribal settlement near Mamalakandam in Ernakulam District. On 31<sup>st</sup> June 2018, 2 teachers and 4 students from the college visited Njandukulam settlement and met their Mooppan Mr. George to know about their problems and challenges. Reaching there, the team conducted a socio-economic survey of the settlement. The survey revealed their economic status, exploitation by the non-tribals as well as the geographical hazards in their day to day life. From the survey we also came to know that only a few among them is educated and majority of them are illiterate. And their ignorance is always misused by non-tribes. The team offered the support of the college while interacting with them and assured them help in times of need.

Kerala has gone through the most toughest periods of the state in the mid of August of this year(2018). All 14 districts of the state were deeply flooded and many people lost their lives and properties and thousands of people become homeless. In this struggling period, Henry Baker college community was committed to support the people and government of Kerala through material and financial contributions. Apart from other flood relief activities, College community contributed Rs. 7,11,720 to CMDRF.

Department of Physics, in association with Nature club of Henry Baker College celebrated World Ozone Day on 19 September 2018 with the support of Kerala State Council for Science, Technology and Environment (KSCSTE) based on the focal theme “*keep cool and carry on! The Montreal Protocol*”. The objective of this venture was to raise awareness and give prominence towards preservation of ozone layer to young minds.

The programme was started at 10.am with the inauguration. The one-day programme was conducted in two sessions. The session-I constitute the inaugural function followed by an invited lecture. The session-II comprised of Film Show, Intercollegiate Power-Point Presentation Competition and valedictory function. Dr. V. P. Syllas, Asst. Professor, School of Environmental Sciences, Mahatma Gandhi University, Kottayam delivered a lecture on the topic ‘Ozone Depletion and Climate Change’. He discussed on various topics related to ozone depletion and factors responsible for climate change.

Session-II started with the Film Show (video clips) which creates awareness on the cause, impact of ozone layer depletion and clips related to Montreal Protocol. An Intercollegiate Power-Point Presentation competition was held in the afternoon based on the focal theme “*keep cool and carry on! The Montreal Protocol*”. 13 teams from nearby colleges participated in the event. 75 students and 12 teachers participated in the celebration.

## BLOOD DONATION CAMP

NAME OF THE ORGANIZING/COLLABORATING AGENCY

NSS HENRY BAKER COLLEGE AND IMA BLOOD BANK THODUPUZHA

**Date and Time of the event**

**Number of students participated**

**2-02-2018 -10.am to 1.00pm**

**90**

The concerted efforts by the government, non-governmental organizations and staff in the blood transfusion services has witnessed a progressive increase in voluntary blood donation (VBD) in the country. There is gradual increase in the rate of blood donation from 2008 onwards and however there is short of 1.9 million units of blood this year. At this crucial situation it is our mission to make our youth aware of it. To promote such philanthropical activities, Henry Baker College, NSS unit and IMA blood bank Thodupuzha, jointly organized a blood donation camp on 2<sup>nd</sup> February 2019. Fourty six NSS volunteers and teachers generously donated their blood. This year we have donated 46 units of blood. 90 students were actively engaged in organising the programme.
