The concerted efforts by the government, non-governmental organizations and staff in the blood transfusion services has witnessed a progressive increase in voluntary blood donation (VBD) in the country. There is gradual increase in the rate of blood donation from 2008 onwards and however there is short of 1.9 million units of blood this year. At this crucial situation it is our mission to make our youth aware of it. To promote such philanthropical activities, Henry Baker College, NSS unit and IMA blood bank Thodupuzha, jointly organized a blood donation camp on 2nd February 2019. Fourty six NSS volunteers and teachers generously donated their blood. This year we have donated 46 units of blood. 90 students were actively engaged in organising the programme.
