We did not let social distancing or even the lockdown itself to weaken the artistic spirit. Under the guidance of Covid Cell, eight students from various departments of our college made a virtual short film “Sargadhwani” on 24 April 2020. This short film provided valuable and creative suggestions for students and teachers to engage in various activities during Lockdown Period. The link to the video is <https://www.youtube.com/watch?v=9CwRbSys6qU> and it holds a viewership of 900 views on YouTube. A team of 10 students realised the project. Two teachers gave support to their endeavour.

As a part of World Earth Day on April 22, students planted a tree in their own home. This year's HBC Cloud challenge was for students to plant saplings in their home. A good number of students, teachers and non-teaching staff participated in this *program*. In this world earth day celebration, which attracted attention in the news, people in other institutions also planted plants in their homes. The big message was to plant at least one shade trees in their home. 110 students planted trees in their houses. 10 teachers prompted these activities.

Information is wealth, especially when we are fighting an invisible enemy. Therefore the cell organised a Virtual Interview with Dr. Anna Cherian, Andhra Pradesh on 4 April 2020 by using Zoom Cloud Application. The interviewer Ashmitha Issac of Second B. Com extensively asked questions regarding various aspects of the epidemic and channelised valuable pieces information. She explored more about the symptoms of and precautions for this deadly disease. Dr. Anna Cherian provided us with scientifically proven facts regarding the nature of the virus and the disease. It, of course, helped us to keep distance from false information and wrong practices. The interview is uploaded on the official YouTube channel HBC EduHub. 10 students 3 teachers were actively involved in organising the programme.

PRODUCTION OF SANITISER AND MASKS	
NAME OF THE ORGANIZING/COLLABORATING AGENCY	
HENRY BAKER COLLEGE	
Date and time of the event	Number of students participated
17-3-2020	35

With the increased demand for hand sanitizers and masks in the wake of the coronavirus scare, students have made low-cost sanitisers which met WHO guidelines. The teachers and students of the Department of Physics under the leadership of COVID Cell produced alcohol based hand sanitisers in their laboratory on 17th march 2020. The production was of immense significance at a time when there was a scarcity of hand sanitisers in market and frequent washing of hands is suggested as the most efficient measure to prevent the spread of the Covid-19. It was indeed a timely initiative and productive effort as many students utilised the opportunity when they came for University examination. Thirty five students and eight teachers took efforts to produce Masks and sanitiser.

Henry Baker College, Melukavu conceived a Massive Tree Planting Programme named HBC CLOUD with the aim to increase green cover, mitigate the adverse effects of various environmental pollutants etc. In a conversation with The Plants, HBC Cloud shares incredible journey driven by an overwhelming love for plants. This programme is designed by Henry Baker College for the survival of the fittest against everyday air pollution. The third phase is that the college authorities went to the houses and gave saplings to them. On 16th March 2020 as part of the HBC Cloud project launched by Henry Baker College with the message of planting trees to prevent climate change, College principal Dr. Gireesh Kumar G.S handed over saplings to Manoj T. Benjamin, teacher Government Higher Secondary School, Chathamattom. Five students and 2 teachers participated in this venture.

During our third visit to Kurathikudyon 7th March 2020 theirKani (head of the Muthuvan tribes, Kurathikudy) Mr. Surya, who supported us in establishing the library, discussed with us the various hazards they were facing in their day today life. Lack of training for competitive examinations was one of the major challenges, their youth was facing. To support the community college decided to give training for various competitive examinations. For this, our alumni Mr. Santhosh Kunjumon who is the first graduate from Kurathikudy, was entrusted with. Four teachers and two students were enthusiastically involved in the project.

Works for the preparations of Biodiversity Park at MDCMS school premises were started on 22nd December 2019. The volunteers jointly prepared the land for this park. It took six days to complete the Park. All the 100 NSS volunteers and co-ordinators worked hard to complete the project. Biodiversity Park is nothing but the effort to make balance between the nature and the mankind. Conserving biodiversity is concerned with restoring the equilibrium between humans and atmosphere.

----------------------------	---------------------------------

29-10-2019	48
------------	----

The Department of Tourism and Hospitality Management initiated a project based on Responsible Tourism in order to make each individual aware about the fact of being responsible towards the society and tourism.

The aim of the program was - To educate the people of the area on responsible tourism and take necessary steps to promote responsible tourism in the region in cooperation with the people. For that, on **29th October 2019** with the cooperation of the College Management and MelukavuGramapanchayat, a Ward (Ward No 12) was adopted by the students of Tourism department to transform the chosen area into a fully self-sufficient area with clean ambience and thereby make the people aware about the environmental responsibility that each individual have. It's all about making better places for people to live in and better places for peoples to visit. 48 students and 5 teachers actively participated in the programme.

Objectives

- **1. Complete Plastic Disposal**

The recycling of plastic in the selected ward will be done on commercial basis and the proceeds will be used for the development of the ward and college.

- **2. Organic waste management**

Each household is focused on collecting and distributing organic waste and converting it into organic manure

- **3. Energy conservation**

As part of energy conservation, people are trained in its operation and are promoting the use of solar energy

- **4. Health Care**

Lifestyle measures to cover the entire population in one ward.

As part of the social responsibility, a cycling was conducted by the department on **18th October 2019** from Melukavu to Kodanad. This cycling was flagged off by the Sub Inspector of Police, Melukavu. 49 students and 5 teachers participated in the programme.

The objectives of the program were:

1. To spread awareness to ensure drug free campus.
2. To prevent the initiation of drug use among the teenagers.
3. To visit school students and motivate them through anti narcotic campaign.
4. To distribute book leafs which contain anti narcotic messages.
5. Motivate students to become Volunteers of anti-drug activities in their life.

As part of the campaign, our students visited 3 schools;

1. MKNM HSS, Kumara Mangalam
2. Iype Memorial HS, Kaloore
3. St. Joseph HSS, Paingottoor

HBC CLOUD is an initiative to generate eco-friendly living habit among new generation. On 16th October 2019 at 9.am Henry Baker College launched a widespread Tree Plantation Programme on the occasion of the One day international conference on “*Celebration on Education and Cultural Diversity*”. This programme aims to select the empty places and the roadsides to plant saplings in a well-organised way. The plantlets are intended to be collected by the students from various sources at free of cost. In order to restore the eco-balance, the afforestation drive was taken with all seriousness. The college fraternity is highly enthusiastic to make it a big success. The delegates of the international conference from 7 countries also planted trees in the campus. Within the campus students planted saplings, fenced them and watered the plants. 127 students, teachers, PTA representatives and delegates from 7 countries participated in the event. The programme created an excessive stir among the school students, college students, parents and general public too.

PROGRAMME
Wednesday, 16 October, 2019
Venue: Bishop Michael Memorial Hall, Henry Baker College, Melkayam

Kurathykudi, is a Muthuvan tribal settlement in the Idukki district. The settlement is in the inner forest of Mangulam forest range. On 3rd October 2019 a team of four members, Dr. Gireshkumar G. S., Principal, Mr. Justin Jose, NSS Programme Officer, Mr. Anish Thannikkal, Head, Department of Tourism and Hospitality Management and Dr. Nisha Joseph, NSS Programme Officer visited the Kurathykudy tribal settlement to learn about the socio-economic profile of the people in the region. As it is a restricted area, entry is permitted to few.

As a first step, the team members visited Kudis and conducted a survey to find out the educated youngsters in the settlement. As a result, we got a list of 148 educated youngsters. Even though some of them have completed Higher Secondary education, they have not gone to higher education or are not employed. Others in the list are dropouts from the school. Moreover, as the settlement is in a remote region, they lack communication facilities and are ignorant about the higher education facilities and employment opportunities. Many were first generation learners also. The team understood the need to support them.

Breast cancer is by far the most common cancer in women worldwide irrespective of the status of the country viz. developed, developing, least-developed, or heavily indebted. In low income and middle-income countries, the incidence has been rising up steadily in the last few years due to increase in life expectancy, increase in urbanization and westernization.

In Association with Govt. Medical College, Kottayam and NSS Unit of Henry Baker College organized a programme on breast cancer awareness on 24nd June 2019 at 1.30pm, named SAKHI. This was a very useful programme for all the student volunteers and Kudumbashree members. 42 students and 15 Kudumbashree members participated.

World Environment Day aims to inspire everyone to make their voices heard — citizens need to urge their governments to deliver on their commitments to safeguard the nature, end pollution and ensure that environmental laws are upheld.

NSS unit organized Environmental Day Programme on 5th June 2019 at 11.am. This year also we planted fruit trees around the college and as an epilogue to this, college staff and students took SuchithwaPrathinja (Cleanliness Pledge). This oath we took on the World Environmental Day every year to assure ourselves to keep our surrounding clean. The programme has been entrusted to every NSS Unit under MG university by the SwchhtPakhwada Programmes of Prime Minister. 50 students and 10 teachers took part in the programme.
