A meeting of the Ethics Committee was held on 07-09-2019. In the meeting, the Committee decided to orient the year's mission of imparting ethical values with a corresponding strengthening of the Mentoring system that was given a special thrust in the academic year. Therefore, the Committee decided to suggest to the College Council that the mentoring process should involve measures to impart ethical values.

The Committee, after detailed deliberations, decided that the students should have a refined behaviour pattern in their everyday dealings with each other and with the society at large. So, the Committee suggested that personal etiquette, professional etiquette, communication etiquette and etiquette in social interaction should become part of the mentoring sessions. This decision was conveyed by the Principal to the faculty and a few mentoring sessions were set apart to focus on the essential notions of social etiquette.

PROCEEDINGS OF THE ETHICS COMMITTEE

Academic Year 2018-19

An Ethics Committee was constituted in the college of for the academic year 2018-19 for monitoring and assuring that values become an integral part of the educational process. The Committee consisted of the following members:

Chairman: Dr. Gireesh Kumar G. S., Principal 

Convenor: Sri Justin Jose 

Members: Rev. V. S. Francis 

Sri. Korah Jacob 

Dr. Jincy Devasia 

Dr. Nisha Joseph 

In the initial meeting held on 10-7-2018, the Committee discussed modes of conveying ethical values to the student community. It is decided to conduct a programme through which the students should imbibe moral values. Instead of a formal declaration of values, we preferred to convey such values through student involvement.

The Committee felt that it should be a cultural programme that the whole student community could enjoy. Accordingly, it is decided to conduct a one act play competition. The only stipulation was that the plays should convey a relevant social message.

In the competition held in December 2018, five one act plays were staged. The plays conveyed diverse messages like the oneness of humanity, equality, the need to refrain from violence and the relevance of tolerance in the contemporary society.

PROCEEDINGS OF THE ETHICS COMMITTEE

Academic Year 2017-18

The Ethics Committee of for the academic year 2017-18 was constituted with the following members.

Chairman: Dr. Gireesh Kumar G. S., Principal 

Convenor: Smt. Ajitha V. R. 

Members: Dr. Beena Paul 

Sri. Korah Jacob 

Smt. Ansa Andrews 

In the meeting held on 15-10-2017, the Committee discussed the vital significance of imparting values to the student community. The Committee felt it imperative to convey ethical values but many of the members voiced that values should not be felt as something imposed on the students. Rather, they should be made to feel that values are an inherent part of their everyday activities. After detailed deliberations, the Committee decided that all departments in the college should put a **thought for the day** on their respective notice boards.

This decision became a practice soon and in a happy aftermath, the students took up the cue from their teachers and began writing a sublime thought or a wise saying on the top of the blackboards every working day. The Committee is pleased to record with pleasure the successful implementation of their decision throughout the campus.
