Report of the Ethics Committee 2018-19

An Ethics Committee was constituted in the college of for the academic year 2018-19 for monitoring and assuring that values become an integral part of the educational process. The following were members of the committee.

Chairman: Dr. Gireeshkumar G. S., Principal

Convenor: Sri Justin Jose

Members: Rev. V. S. Francis

Sri. Korah Jacob

Dr. Jincy Devasia

Dr. Nisha Joseph

In the initial meeting of the committee held on 10-7-2018, the committee discussed modes of conveying ethical values to the student community. We decided to conduct a programme through which the students should imbibe moral values. Instead of a formal declaration of values we preferred to convey such values through student involvement.

The committee felt that it should be a cultural programme that the whole student community could enjoy. Accordingly, we decided to conduct a one act play competition. The only stipulation was that the plays should convey a relevant social message.

In the competition held in December 2018, five one act plays were staged. The plays conveyed diverse messages like the oneness of humanity, equality, the need to refrain from violence and the relevance of tolerance in the contemporary society.

Report of the Ethics Committee 2017-18

The Ethics committee of for the academic year 2017-18 was constituted with the following members.

Chairman: Dr. Gireeshkumar G. S., Principal

Convenor: Dr. Beena Paul

Members: Sri. Korah Jacob

Smt. Ajith V. R

Smt. Ansa Andrews

In a meeting held on 15-10-2017, the committee discussed the vital significance of imparting values to the student community. The committee felt it imperative to convey ethical values but many of the members voiced that values should not be felt as something imposed on the students. Rather, they should be made to feel that values are an inherent part of their everyday activities. After much deliberation the committee decided that all departments in the college should put a thought for the day on their respective notice boards.

This decision became a practice soon and in a happy aftermath, the students took up the cue from their teachers and began writing a sublime though or a wise saying on the top of the blackboards every working day. The committee is pleased to record with pleasure the successful implementation of their decision throughout the campus.

Dr. Beena Paul
