## POLICY DOCUMENT ON GREEN CAMPUS

HBC POLICIES

### HBC GC

Henry Baker College, Melukavu is a Christian, Minority, Co-Educational, Government-aided Arts and Science College Established in 1981, Affiliated to Mahatma Gandhi University, Kottayam, Kerala.

## Policy Document on Green Campus

In tune with the Green Protocol, Henry Baker College takes an ardent effort to mitigate, sort out and effectively dispose waste. To make all the stakeholders to strictly adhere to the Green Protocol the college has devised a policy on Green Campus:

- Everyone in the campus should make a conscientious effort to bring waste generation to the minimum possible level
- The college follows the policy of Reduce, Reuse and Recycle
- Everyone should avoid using disposable material and opt for reusable materials
- Never throw away garbage and keep the premises always waste-free
- Every possible effort should be made to reduce the quantity of waste
- Equipment made of disposable materials should be substituted with eco-friendly and reusable materials like stainless steel glass, cloth bags etc.
- Since our campus is plastic-free, materials made of plastic should be completely avoided
- Bio-degradable waste may be converted into organic manure
- Non-degradable materials like plastic should be handed over to our Plastic Crusher Unit for recycling

- Electronic equipment should be repaired and reused to the maximum possible extent
- E-waste should be sorted out and kept away to be handed over to our e- waste disposal partner
- Flex banners should be substituted with banners made of cloth
- Being responsible citizens, all stakeholders of the college should try to keep the local environment pristine and waste-free
- Everyone associated with the college are bound to propagate the policy of minimum waste generation and the strategies adopted for waste management
- It is the responsibility of all the stakeholders to protect the rich biodiversity of the campus and the locality to which they belong
- Every student should plant atleast one tree in the campus before she leaves the college after the completion of her respective programme
- Reduce the usage of paper in academic and administrative processes through e-submission of documents
