DEPARTMENT OF COMMERCE (COMPUTER APPLICATION)

ANNUAL REPORT

2016-2017

Vision: “for better life, environment and society.”

Department of Commerce Computer Application started the academic year of 2016-2017 with a staff meeting having two new faculties. This year, 41 students were newly admitted to the department. The faculty-student ratio was 12: 1. A Bridge course in Accounting was conducted for the first-year students so that it may help the students who studied subjects other than Commerce in their higher secondary classes.

For learning more about the basic concept of co-operation, a certificate program on “Introduction to Co-operation” was provided for the first-year students. Faculties of the Department of Commerce with domain expertise in the related areas facilitate as program instructors. A PTA Meeting was conducted during this current academic year.

Mentoring sessions were conducted regularly for students to inspire the students. It will also become a platform for students to express themselves. Teachers provided training for students facing the University Exam for the first time. Onam, Christmas and other major activities were celebrated and organised during this year.
