### **Annual report of the academic year 2018-2019**

**Vision:** *“To Inspire and empower the students to become innovative leaders, contribute to the success of organizations and betterment of communities.”*

For the academic year 2018-2019, 41 students joined B.Com Computer Application as new admission. The department gave an orientation class to each of the newly admitted students. This year's student-teacher ratio was 13: 1.

During this year, our Department led a number of academic and non-academic programmes. A mentoring section for students and PTA meeting was conducted after each exam. The facilitates students for gaining practical advice, encouragement and support and to increase their social and academic confidence. Apart from all, the department organized study tour, field visits and corporate quiz for students. Study tours made an opportunity to co-operate with teachers and integrated new perceptions with informal environments to enhance learning initiatives.

The corporate quizzes were organized for understanding the student's grasping level and to motivate them to learn more and help them to allocate their study time effectively by focusing on the information that needs practice. Field visits helped them to observe and learn successful projects of the outer world. During this year there were 34 mini-projects completed by the students.
