Industrial Visit Report

Date: 23/02/2024

Place: Trivandrum

The journey began from the college at 3:30 PM by bus. 8 students of B Com 2nd year and 1 teacher from our department went along with the students and teachers of B.Com aided stream. We arrived at Trivandrum by 7:00 PM. Our first destination was the Padmanabhaswamy Temple, where we spent an hour. Afterwards, we visited the zoo, spending approximately 1.5 hours exploring its exhibits. At 11:00 AM, we proceeded to the Milma factory. There, we observed various stages of milk processing, including packaging and delivery operations. The visit provided students an opportunity to understand the industrial workflow and management, offering practical insights into the functioning of a manufacturing setup.

After lunch, we headed to Kovalam Beach. The beach provided a relaxing atmosphere, and everyone enjoyed their time there. Our next stop was Lulu Mall, where we watched the movie *Premalu* at 10:30 PM. After the movie, we began our journey back to our hometown and reached the college safely at 1.30 am.
