HENRY BAKER COLLEGE MELUKAVU

Anti-Narcotic Cell

ACADEMIC
YEAR

2015-16

FROM DARKNESS INTO MARVELLOUS LIGHT

Henry Baker College, Melukavu Is a Christian, Minority, Co-Educational, Government-aided Arts and Science College Established In 1981, affiliated to Mahatma Gandhi University, Kottayam, Kerala.

Anti Narcotic Cell

The Anti Narcotic cell of the college has been constituted to ensure a drug- free campus by imposing a total ban on the possession or use of drugs and alcohol by students of the college, within or outside the campus/hostel.

The duties of the Anti Narcotic cell include organizing awareness programmes in the college and hostels with the help of government authorized agencies/ organizations. Educating the students about the ill-effects of drugs and alcohol, encouraging peer policing among students against the use of drugs and reporting of any noticed use of drugs by the students to the students affairs committee are also the duties of the anti-drugs cell.

The extensive use of narcotics within and outside educational institutions has become a serious concern nowadays. Drug dealers target students both as carriers as well as clients. It's high time for teachers and parents to work against and eradicate this evil force. The highly energetic youth can be guided by educating and at the same time by warning against the adverse effect of narcotics. With this noble intention, we formed anti-narcotics cell in our college. We keep close contact with the excise and police departments and arrange programs to make the students aware of the strong legal force working against narcotics and inculcate respect towards parents, teachers and the Indian judiciary.

Motto of the Anti-Narcotics Cell

"Become Anti- Narcotic; help to chain the evil."

HENRY BAKER COLLEGE, MELUKAVU

Anti-Narcotic Cell activity

2015-2016

Anti-drug, Anti-tobacco awareness classes and rally were conducted in association with Health centre, Edamaruku and Anti-Narcotic Cell Henry Baker college, Mellukavu on 13 may 2015. Dr. Bibi Raj Medical officer, PHC, Edamaruk had taken classes on Anti-tobacco and its worst impact on our society. According to Dr. Bibi Raj majority of our youth are addicted to either liquor or Tobacco products during the 1990s and 2000s, but nowadays they are using unknown powders and even cobra venom was as toxicant. So it is very difficult for a growing generation to keep away from Narcotics.
