I. Voter Registration Drive

The Electoral Literacy Club, in collaboration with the Electoral Literacy Club of Kottayam, organized a significant event aimed at promoting electoral awareness and encouraging voter enrollment. The voter registration drive, held on 06/12/2022 at 2.45 PM in the Seminar Hall, had a successful turnout of over 30 students.

Objectives of the Programme:

1. **Creating Awareness:** The primary objective of the event was to educate students about the significance of voting in a democratic society. The event aimed to raise awareness about the value of every individual's vote in shaping the nation's future.
2. **Enrolling New Voters:** Another important goal of the programme was to facilitate the enrollment of new voters into the electoral system. By encouraging eligible students to register as voters, the event aimed to contribute to the strengthening of the democratic process.

The event commenced with a warm welcome from Dr. Jibin Mathew, the Co-ordinator of the Electoral Literacy Club. His opening remarks set the tone for the informative sessions that followed. Dr. Beena Paul, the principal in charge, delivered the presidential address. In her speech, she highlighted the pivotal role of voting in a democratic country, emphasizing the responsibility that each citizen bears in the nation's governance. Shyam Kumar, an officer from the taluk office Meenachil, took the stage to deliver an insightful speech. He walked the attendees through the step-by-step process of enrolling as new voters, providing valuable information and clarifying any doubts. Officers from the election department were also present at the event to assist students in linking their Aadhar details with the voter's list. This step was crucial in streamlining the enrollment process and ensuring accurate voter records. Hiba Fathima, the student coordinator, concluded the event by delivering a vote of thanks. Her words expressed gratitude to all the participants, speakers, and organizers for their contribution to the success of the voter registration drive.

Outcome: The success of the programme was evident in the positive outcome achieved. A total of 24 students from the college successfully enrolled as new voters. This achievement led to the college receiving a Certificate of Appreciation from the Electoral Literacy Club, Kottayam district. The college's commitment to promoting electoral literacy and fostering active participation in the democratic process was duly recognized.

Conclusion:

The voter registration drive organized by the Electoral Literacy Club and supported by the Electoral Literacy Club of Kottayam proved to be a valuable initiative.
