About NPTEL

The National Programme on Technology Enhanced Learning (NPTEL) is a project funded by the Ministry of Human Resources Development, Govt. of India and carried out by seven IITs (Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras, and Roorkee) along with IISc, Bangalore. Since 2014 NPTEL has been focusing on offering online courses for certification, with a unique, in person - at center, proctored final exam currently conducted in 160+ cities across India, that lends strong credibility to this process.

OUR STUDENTS & TEACHERS TAKE NPTEL SWAYAM COURSES SINCE JAN-JUNE 2020 SEMESTER

NPTEL SWAYAM LOCAL CHAPTER

UGC and AICTE have approved that colleges can take these MOOC courses for credit in their Gazette notification of August 2016. These courses are being used by students to avail internship opportunities

About 15-20% of the total exam certified participants are faculty members from various colleges and hence these programmes are helping in faculty development and improvement. The advanced courses are recognized by AICTE as FDP.

OUR STUDENTS & TEACHERS PARTICIPATE IN NPTEL WORKSHOPS

The Workshop covered the following areas:

- NPTEL
- NPTEL Online certification courses
- the concept of Local Chapters as a way to partner with NPTEL
- Domain Certification
- FDP
- how faculty can help students choose the right courses
- Mentoring
- which courses are available for students to choose from
- combination of courses that they can try
- Job oriented courses
- Soft skills workshops
- Domain Certification
- NPTEL Stars

OUTCOME OF NPTEL WORKSHOPS ATTENDED BY FACULTIES AND STUDENTS

The participants got immense exposure in online NPTEL Course System and the courses offered by other coordinators of SWAYAM

The participants could understand that they need to fill the gap between the academic curriculum and the current, up-to-date skills that the industry needs in the context of dynamics of education and its technologies

The teachers became aware of the various FDP programs, and its relevance beyond getting promotion in their career.

Students could segregate between Job Oriented NPTEL Courses and Soft Skill Oriented NPTEL Courses, and they became aware of the importance boosting soft skills

In addition to the above key areas, the participants got adequate exposure in the areas such as NPTEL Stars, NPTEL Enthusiasts, NPTEL Evangelists, etc.

ICT IN TEACHING AND LEARNING- JULY 2020

In the era of a Knowledge-based society, technical education has assumed an indisputable significant role. The new developments in information technologies have opened up fresh perspectives in teaching and learning. The ICT-enabled methods shall help the teachers to offer quality e-content; for both - education in a classroom situation and to a large number of populations in a structured, flexible, interactive, blended, flipped, and open way.

This course on 'ICT in Teaching and Learning' shall enable the teachers' to select and integrate ethically appropriate ICT pedagogy in teaching-Learning processes in Teacher and Learner Directed Learning environment. Explore the emerging trends in Open Educational Resources (OER), Learning Management System (LMS) platforms for developing Small Private Open Learning (SPOCs) and Massive Open Online Learning Courses (MOOCs), aspects of Mobile learning. Most importantly the teachers' shall - fortify the ethical-intellectual property rights, copyright handling, legal, security and software-related issues in using ICT.

This course is aimed at building the capacity of aspiring teachers and in-service teachers like you, for transforming the educational culture and teaching-learning system of the Institution.

ACADEMIC & RESEARCH REPORT WRITING - JULY 2020

Academic and research report writing is an essential activity for a contemporary teacher in institutes of higher education. It is a fact that a modern teacher has to play a variety of roles apart from that of an academic instructor. Research is one of such major activities for them. Publication of research findings is an integral part of the research.

Therefore, it is necessary for a teacher/researcher to learn and apply principles and techniques of report writing for effective dissemination of the academic and research findings. This course intends to introduce the learner to the principles, techniques, and tools of academic and research report writing. After successful completion of this course, the learner will be able to write reports on various academic activities including research effectively and efficiently.

COURSE OUTCOMES (ICT in Teaching & Learning and Academic Research Report Writing)

- Teachers could select suitable ICT pedagogy in teaching-Learning processes
- Teachers could explore the emerging trends in Open Educational Resources
- Teachers got adequate exposure to Learning Management System (LMS)
- Teachers could fortify the ethical use of intellectual property rights, copyright handling, legal, security, and software related issues in using ICT
- Teachers could learn and apply principles and techniques of report writing for effective dissemination of the academic and research findings
