## MINORITY CELL

### Report of Minority Cell during the Academic Year 2015-16

Henry Baker College is a minority educational institution that nurtures the diverse needs of the faculty and students of minority communities. Minority Cell of the college was established with an objective of empowering the minority population of the college. The Cell caters to the educational, cultural, and economic needs of the community. One of its primary objectives is to uplift the minority students and to equip them with the necessary skills to choose a career option. It also facilitates monetary assistance to students from minority communities from government agencies and other sources.

A meeting was convened on 17/07/2015 to plan the activities that are to be implemented. Orientation Programmes were conducted in association with the OBC Cell to create an awareness among the students about the educational loans and other financial aids. The Cell took initiative in resolving various issues faced by the minority population inside the campus.
