### **ANNUAL REPORT OF SCHOLAR SUPPORT PROGRAMME (SSP): 2015-2016**

It is with an immense feeling of pleasure that we are submitting the report of the scholar support programme for the academic year 2015-2016. Primarily we are thankful for our well-wishers and stakeholders for their unstinting support and wholehearted co-operation extended. The programme was started in our college during the academic year 2015-2016. First-Year Students are selected to the SSP from departments of Commerce, English, History and Physics. Everything was done as per the rules and regulations of the programme and with the consent of the council. This is a turning point where attention is focused on teachers as flag holders. The weaker students get additional attention and they get an opportunity to learn the concepts and ideas again which are difficult for them. We, the team here in tum gain strength out of this encouragement and remain ready to serve to the satisfaction of our students

Fund of Rs.62600/- was received to meet the expenses in connection with conducting the programme. An amount of Rs.62600/- was utilized under various heads for which it was given and the accounts were closed on 31-03-2016. All the records were properly maintained and the accounts were audited and utilization certificate was obtained. The programme was completed in our college during the academic year 2015-2016
